Daily Market Report

TREND OF MINING
STOCK IS LOWERTintic Standard Holds Its
Place Throughout Day's
Trading

It seems as though the trading on the Salt Lake Stock & Mining exchange has gone back to its old place with scarcely any interest developed. What little trading there was, was fairly well scattered throughout the districts. The prices, generally speaking, were about steady, although the downward tendency seemed to exist in a few of them.

Alta Con. changed hands at 9 1/2 and 5 1/2 cents. Alta Tunnel changed hands at 10 cents. Eureka Lily sold as low as 19 1/2 cents. Columbus Rexall was a trifle weaker, it changing hands at 62 cents. Keystone was active at 29 cents and \$1.00. New Quincy was very active at 7 1/2 cents. Emma Silver brought 10 1/2 cents. Prince Con. sold as low as 62 cents. Sells went at 18 1/2 and 19 cents. Silver Shield brought 47 cents. Tintic Standard was the same as it was yesterday, it changing hands at \$4.85 and closing with the \$4.85 bid and \$4.87 1/2 asked.

SALT LAKEPACKING PLANT
HURT BY TIEUPUnless Situation Improves
Large Force of Workers
May Be Laid Off

Unless the railroad situation improves so that carload shipments of livestock may be brought into this city, a large force of workers at the Ogden Packing and Provision company will be practically out of work, according to Manager J. P. Murphy, who said today that the plant is running on local supplies of livestock and furnishing the nearby market satisfactorily but that shipments in or out of the city have been held up since the trouble started. Relief from this situation is expected about Thursday, he said.

The company has been sending out an average of eight carloads of dressed meat and prepared products to branches on the Pacific coast and parts of the intermountain country.

MEETING FRIDAY
ABOUT HOLIDAYSamuel Martin Says Business
Men Should Wait For
Public Verdict

Samuel Martin, secretary of Paine & Hurst, Inc., who has been one of the leading advocates of the half holiday for store clerks in Ogden, today urged again that merchants make no decision with regard to the matter until after Friday's mass meeting in the Ogden Tabernacle.

"The educational campaign for a weekly half day closing does not come forth as a demand upon the merchants," Mr. Martin said. "Nor is there any day designated for the proposed half holiday. Friday's mass meeting is to inform the merchants that the public will co-operate with them in doing their shopping to assist the movement."

"If the sentiment at the mass meeting discloses that a half holiday is desirable, then the day for such half holiday can be fixed. If the sentiment at the mass meeting is against the movement, then the matter can be dropped."

Mayor Frank Francis will preside at the mass meeting, which will be called to order at 8 o'clock p. m.

CORN HAS SETBACK.

CHICAGO, April 13.—Corn underwent a material setback in price today. The weakness was due more to lack of support than to any great selling pressure. Uncertainty of the railroad traffic outlook tended to make traders go slow for the time being. Initial quotations, which ranged from 1 1/4 to 1 1/2c lower, with May 1 1/4 to 1 1/2c, and July 1 1/4 to 1 1/2c, were followed by transient rallies, but then by declines further, than before. Oats sagged with corn. After opening unchanged to 1/4c lower, including July at 85 1/2c to 85 3/4c, the market suffered a moderate general fall.

Selling that was ascribed to packers had depressing effect on provisions. Upruns in the value of hogs were almost ignored.

Cattle—No receipts; trading limited to a few sales of hold-over stock at prices too uneven to intelligently quote.

To the man
who owns his Home

The Good Painter Says:

"I just heard Smith and Brown sold their homes—those twin cottages they built and lived in for five years. Smith was a thrifty sort of chap and had me come in every spring to keep things spick and span with

McMurtry Paints and Varnishes

Brown always claimed to be thrifty, too, but I never could get him to do any painting. Now they've both sold out.

"Smith got \$7,500 for his cottage

"Brown got \$5,500 for his.

"Both cost the same five years ago.

"Smith in five years spent about \$300 for paint.

"Some investment, eh? Thrifty—that's Smith.

"To the man who owns his home I have this word of advice: Keep your property right up to snuff. It'll make you money."

GATEWAY CLOSED.
WASHINGTON, April 13.—"The Gateway to the South" through this city was closed to freight traffic today as a result of the spread of the "unauthorized" switchmen's strike to the Potomac yards across the Potomac river.

Superintendent Colver said the yards were paralyzed. The total number of strikers was placed by him at 220.

Normally 3,000 cars a day are handled through the yards, including all produce shipments from the south to the east.

The Southern railway reported that its fast mail and passenger trains were moving subject to some delay. The passenger line tracks do not go through the Potomac yards. Other passenger traffic was curtailed.

The single track bridge across the Potomac from this city into Alexandria, where the Potomac yards are located, is the only railroad inlet into the south, east of Cincinnati.

STUDENTS VOLUNTEER.
BALTIMORE, Md., April 13.—Fifteen hundred or more railway workers were reported out in the Baltimore district of the Pennsylvania and Baltimore and Ohio railroads this morning in the "outlaw" strike which began here last evening. In Baltimore the Pennsylvania railroad declared an embargo on all freight outgoing and incoming.

About 100 Johns Hopkins university students volunteered for service and were accepted by railroad officials.

BOSTON, Mass., April 13.—Effects of the unauthorized strike of railroad employees were felt in all parts of New England today through further reductions and consolidations in all classes of traffic. The ranks of loyal workers remained unbroken on lines running through this section.

SERIOUS TURN.
CLEVELAND, O., April 13.—The railroad strike situation in Cleveland took on a more serious aspect this morning when 200 car repairers and nearly fifty car inspectors employed in the Collinwood shops of the New York Central lines failed to report for work this morning following their walkout last night.

It was reported that 300 more shopmen at the New York Central shops and 1500 in shops of other railroads were dissatisfied with the present grand lodge officials and that several resolutions had been adopted by different locals asking for the resignation of President W. G. Lee and other grand officers, Mr. Lee today declared:

"The present grand lodge officers will remain, will continue to carry on the work of the brotherhood in a business-like manner, administer the more than five and a half million dollars insurance and benefit funds and will not be stampeded by the 'insurgents.'"
